

School Bank

As part of a range of programmes and activities to support and encourage pupils to be confident in managing their finances we are pleased to announce the launch of the CHS School Bank.

The School Bank is available to all pupils and will run every Tuesday at lunchtime in the Reception area. Pupils who have completed an Expression of Interest Form and returned it to school now need to come and fill in an Application Form in order to open an account. Pupils who have not yet returned their Expression of Interest Form can still do so at any time. If a replacement is needed it may be collected from Reception.

Once your account has been opened you may lodge up to £50 and withdraw up to £10 at the School Bank any Tuesday using your Lodgement book. Those pupils who are getting a Maestro card may also withdraw money at any Autobank, pay for items using the Chip and Pin facility, or pay for things online if needed. Pupils may also lodge or withdraw money at any branch of the Northern Bank.

Any pupil can use Internet Banking to check the status of their account or if over 13 years old may download the Northern Bank App onto any Android phone. These facilities also enable you to look at your statements and transfer money between accounts.

If you have any queries regarding the School Bank please see Mrs Harvey.
